What We Do

TEAM Systems offers solutions for many different vertical markets. As your complete cleaning source, we have the product and service that will help you achieve your goals

WAREWASHING PRODUCTS

OVEN CLEANER

OVEN AND GRILL CLEANER Rapidly penetrates layers of heavily encrusted food soils, accumulations of grease and carbonized materials with a fast acting formula.

DRYING AGENT

RINSE AID ANTI-SPOTTING AGENT is the highly effective product that is also economical. It breaks down surface tension and water droplets cannot form. The results are a sheeting of rinse water and no water spots.

HAND DISHWASHING DETERGENTS

LP-GREEN LIQUID DETERGENT is the phosphate free, high sudsing detergent that is tough on soils and gentle to the skin. **LP-GREEN LIQUID DETERGENT** is effective in all water conditions and is citrus scented.

PINK POT AND PAN DETERGENT is the phosphate free, highly concentrated alternative. It is non-abrasive and is pH neutral but rinses freely with long lasting suds.

MACHINE DISHWASHING DETERGENT

ALL SAFE DETERGENT is the premium liquid dish machine detergent. **ALL SAFE** is alkaline based with high chelating properties.

SANITIZERS

CHLORINATED LIQUID SANITIZER is a 10% EPA registered sodium hypochloride based liquid sanitizer.

REFRESH SANITIZER QUAT based virucide deodorizer, mildew stat and fungicide. Highly concentrate and can be used in federally inspected meat and poultry processing plants. Excellent third sink dish sanitizer. EPA and TDA registered.

SPECIALTY CLEANERS

D/D-4535 is a blended synthetic quaternary detergent that is designed to clean, disinfect and deodorize surfaces with an ammonium based concentrate. **D/D-4535** is USDA approved and EPA registered.

DESCALER is a liquid lime scale remover that contains an anti-foaming agent for use in high agitation and low temp machines. **DESCALER** contains surfactants to reduce surface tension and aid in penetration.

STAINLESS STEEL CLEANER is a cleaner and polish for all stainless steel surfaces. It cleans with water/oil emulsion and has a fresh lemon scent. USDA approved.

SILVER PRE SOAK a pH controlled liquid which softens hardened food deposits on silverware in preparation for washing.

BREAK DOWN Grease trap treatment compound that is a concentrated blend of multi-strain enzymes selectively adapted to offer a broad spectrum of organic degradation capabilities. **BREAK DOWN** has been especially formulated for use in grease traps and food service drains.

SOLID DISH MACHINE PRODUCTS

SUPER SOFT METAL is the premium encapsulated dish machine detergent that is metal safe. **SUPER SOFT METAL** is safe on aluminum, pewter and fine china while providing excellent cleaning and rinsing free.

RINSEFREE SOLID DRYING AGENT: contains a concentrated solid rinse agent for machine dishwashers. It produces excellent sheeting on both glass and plastic to allow for spot-free drying and sparkling results in all temperatures.

SOLID PINK POT AND PAN DETERGENT is a mild sudsing pot and pan detergent. It is highly concentrated and encapsulated. It fights grease and breaks up tough baked-on food. Good for soft or hard water.

SOLID GENERAL PURPOSE CLEANER is excellent on all hard surfaces. It comes encapsulated in a concentrated form. Special rinsing agents allow for a spot free surface with a clean smell.
